OPEN PLAN LIVING AT ITS FINEST.

The Ventina presents a true statement entrance with its long passage culminating in a feature recess where you can create real wow-factor. Bursting from the central passage is open plan living at its finest. At the helm of this space resides a stunning u-shape kitchen featuring a convenient breakfast bar. Indoors seamlessly becomes outdoors as the living area flows onto a large alfresco, with striking recessed ceilings, for outdoor enjoyment.

The contemporary master suite presents a stunning open plan ensuite and a large walk-in robe, conveniently located just a step away from an indulgent private theatre. Take the time to unwind and enjoy some big screen escapism.

At the front of the home, there is a thoughtfully designed sleep zone comprising two well-sized bedrooms with built-in robes, cleverly positioned around a bathroom complete with a bathtub and shower.
