# THE AZURITE

## SPACIOUS AND HARMONIOUS OPEN PLAN LIVING.

From the entrance of the Azurite, you are drawn down a long, elegant half-way to a feature recess where you can add your own special touch. At the heart of the Azurite is a spacious and harmonious open plan living and dining area. Indoors seamlessly becomes outdoors as the design flows onto an alfresco area for outdoor enjoyment.

At the centre of this considered space is a designer kitchen, featuring a breakfast bar and walk-in pantry. After dining, why not retreat to the private theatre for some well deserved screen time.

At the front of the home, there is a thoughtfully designed sleep zone comprising two bedrooms with built-in robes, cleverly positioned around a dedicated bathroom. Finally, when it's time to retire for the night, you will discover a secluded master suite located at the back of the home, presenting a large walk-in robe and ensuite - the only thing left to do is relax!
