THE CREMA

BIG ON ENTERTAINING & EVEN BIGGER ON SPACE.

The Crema presents a unique design that is big on entertaining and even bigger on space. As you enter the home, you are drawn into a light and breezy living and dining area that extends onto a beautiful alfresco featuring recessed ceilings.

A highlight of this design is the luxury element of a dedicated bar, conveniently positioned between the living area and the private theatre, ensuring food and beverages will always be within arms reach for all your relaxation activities. A spacious designer kitchen overlooks a generously sized alfresco and the shopper's entrance with direct access to the kitchen will ensure smooth groceries transitions.

The back of the home is dedicated to rest and relaxation, comprising a master suite and two further bedrooms. The impressive master suite features a stunning open plan ensuite and a double sized walk-in robe. Bedrooms two and three are generously sized with built-in robes and convenient access to a shared bathroom complete with full sized bathtub.
