THE CASHMERE

OPEN PLAN LIVING AT ITS FINEST.

The Cashmere presents a unique design that ticks the boxes for all your lifestyle needs. Bursting from the central passage is open plan living at its finest. At the helm of this space sits a stunning galley style kitchen featuring a convenient breakfast bar. The ample dining and living area flows effortlessly onto a well-sized alfresco featuring eye-catching recessed ceilings.

Once the dining and socialising has wrapped up, simply step across into the private theatre for an indulgent movie session.

At the front of the home, a thoughtfully designed sleep zone comprises two bedrooms, one with built-in robe and a bonus walk-in robe in the other, efficiently positioned around a shared bathroom. A further room at the front of the home leaves your options open to utilise as you wish!

Finally, when it's time to retire for the night, retreat to the secluded master suite located at the back of the home, presenting a large walk-in robe and ensuite. The only thing left to do is relax.
