

THE AMBIT

TOTAL AREA 281.92m²
Perfect for lots 10m wide.

CLEVER USE OF SPACE.

The narrow-lot Ambit cleverly maximises space, offering an impeccably considered two storey design. On entering the Ambit you are greeted with a light and bright central passage that spans the impressive length of the home, flowing into considered and cleverly concealed zones for sleeping, relaxing and entertaining.

The central passage impressively concludes in a stunning open plan living and dining area that connects seamlessly to the large alfresco. The designer kitchen offers an enviably large walk-in pantry and concealed fridge recess with feature bulkhead running the length of the cooking zone. After you have enjoyed your dining experience, you can indulge in some screen time within the large theatre room situated at the front of the home.

When it's time to retreat for the night, you'll discover a secluded master suite sprawled atop the second storey. Featuring large walk-in robe, ensuite with double shower and a private balcony, this zone offers the ultimate indulgence after a long day.

Bed 2 and 3 feature built-in robes and share a full sized bathroom in an efficient 'jack and jill' design. Across the passage, guests will find a spacious 4th bedroom with robe and convenient access to a powder room. Within this zone, a generous laundry features luxury walk-in linen.
